

# 2014 Snow Goose Conservation Order Reporting Form

Please use this form to keep a daily record of your hunting activity under the Conservation Order. For each day you hunt geese please record the date, the county where you were hunting, and the number of geese you harvested (even if you harvested zero geese!). When reporting harvested geese please separate your harvest into the total number of geese you shot and retrieved and as well as any geese you shot but were unable to retrieve. In addition to the total harvest, please indicate if any of the geese you killed were harvested using 1) the extra shells allowed in unplugged shotguns, 2) electronic calls, and/or 3) during the extended shooting hours from sunset to 1/2 hour after sunset. At the bottom of the form, please tally your harvest activities for each column. Please visit the Conservation Order website [www.dnrec.delaware.gov/delhunt](http://www.dnrec.delaware.gov/delhunt) and submit your results by May 1st (Note: a mail-in questionnaire is also available by visiting the website). Even if you did not harvest any geese you must report this on the website. Failure to report your information may make you ineligible to participate in next spring's season!
